Our mission is to teach and inspire young children to seek adventure and to love themselves so that in return, they can be the best human in today's world. Each lesson kit is stocked full of examples that challenge young minds to love reading, writing, build confidence and be mindful of their actions. Life is an adventure and Susie Spinach and her friends want to take your class on a wonderful journey throughout the year.

Character Counts

Early Childhood Kits include Six Pillars of lesson plans for the early learning classroom: : (TRUSTWORTHINESS, RESPECT, RESPONSIBILITY, FAIRNESS, CARING, CITIZENSHIP) They are designed for students from Pre-K to Kindergarten and are fun and engaging. Each pillar is packed with lessons and activities to learn and explore.

Being confident in who you are starts young. These helpful lessons build children's self-esteem, teaches how to socialize and to be present in all they do.

Studies show leading with Love and kindness helps young minds believe they can achieve anything. If they can imagine it and believe they can achieve it then nothing can stop them.

Be GOOD!
do GOOD!

Creative Adventures

Thinking critically may be one of the most important skills that today's children will need for the future. In today's rapidly changing world, children need to be able to do much more than repeat a list of facts; They need to be critical thinkers who can make sense of information, analyze, and have fun creating in an endless world of possibilities.

They will learn how to compare, contrast, make inferences, and generate higher order thinking skills.

Mindful Movement

These lessons will teach the young to have fun, calm themselves down through breathing techniques to help self-sooth so they can better settle into the present mind. Through these techniques and lessons, they will be equipped to live more in balance and intune with their body and souls.

Reading Space

Starting to read is very helpful for a young mind. These lesson plans focused on rhyming words, sounding out words and phrases and familiarizing your class with capital letters, verses, small letters, and numbers that correlate with animals, people, or things and much more...

These lessons help drive and create their own story by introducing new sight words they can incorporate. Get your preschoolers ready for engaging story sequencing fun.
